# GARDEN GROVE

"Our Restrictions are Your Protection"

"FOR THIS IS CONQUEST AND WORLD SUCCESS—

A HOME WHERE ABIDETH HAPPINESS.

—Edgar A. Guest.

No matter what else a man strives for in this life, whether it be riches, honor, fame, comfort or happiness, the ultimate goal of all Americans is to own a HOME—a place out in the open, a place where he has plenty of room to move about—to have his little Garden, to get away from the nerve racking noisy bustle of the city.

It is said that no one can cheat you out of ultimate success but yourself, because the world stands aside and waits for a determined man.

If YOU are an average American, and you do not own your own home now, you are looking forward to the future when you can own one.

No matter how happy a man may be in a rented home, he never knows what real happiness is until he sleeps under his own roof. The satisfaction of having a home of your own cannot be paralleled.

Never before has the building of a home been brought within the reach of the average man as it is today. Most of us don't take

the trouble to find out if it is possible for us to own a home, when it might be just within our reach.

If you will come to GARDEN GROVE, at the intersection of Seven Mile and Farmington Road, we will show you how easily you can reach your goal and own your own home, for practically the same payments as you are now making for rent.

GARDEN GROVE offers you the advantages of town. There is bus service by your door to Detroit and Northville. There are two nice stores, and a garage on the corner. It is only a five minutes drive from Farmington. There is now a good school on the property and there will be a good four-room school this year, if the plans go through.

There are a limited number of these fine homesites available and as some are more advantageously located than others, the first purchasers get the advantage.

If you will take the time to give us a ring, mail the coupon below for further information, or come out and see us, you will be more than doubly paid for your time.

TEN DOLLARS WILL START YOU!
