YOU do before another wash— DO THIS

Ask for a Maytag Gyrafoam Washer to do it with. No obligation at all.

Undisputedly the world's leading washer—you must have heard about it. Women everywhere are talking of its wonders: 50 lbs. of dry clothes an hour—a tubful of linens, silks, wools, *spick-span* in half the time required by any other washer—never a bit of hand rubbing needed, even on wristbands or collars.

Not a dolly, oscillator, or any type you're familiar with—but an entirely new principle—years ahead! Its results will amaze you.

Don't fail to try it—next washday or sooner if you wish. Phone immediately.

- 9 Outstanding Maytag Features
- 1—Washes faster.
- 2—Washes cleaner.
- 3—Largest hourly capacity in the world.
- 4—Most compact washer made.
- 5—Cast aluminum tub.

COOL COOKING

For a million years man has cooked his food with fire—hot, smoky, uncomfortable and expensive fire.

For a hundred generations women have suffered the toilsomeness, often the torment, of a hot kitchen.

Today we cook without dust, without smoke, without fire—and with exquisite ease and comfort.

In the warm months of the year especially, is the blessing of electric cooking most evident. One cooks in coolness and comfort.

Come in, today, and let us make it clearer to you how easy and pleasant and cheap it is to prepare a hot weather meal.

THE DETROIT EDISON CO.
