Our Ambition

IS TO GIVE THIS COMMUNITY A THOROUGH, DEPENDABLE REAL ESTATE SERVICE—A SERVICE THAT WILL STABILIZE AND BUILD UP VALUES IN A SANE AND INTELLIGENT MANNER.

This service cannot be rendered at its highest degree of efficiency, in a community as active as this unless there are a number of men working together—each specializing in one particular class of property.

We are now prepared to render you and the community this superior grade of specialized service.

We have recently been fortunate in acquiring the services of De Los Hamlin, H. A. Seeley and Howard Staman, all residents of Farmington and Arthur D. Smith of Lake City, Mich., who will soon bring his family here.

If you have property in this district that you want sold at a fair price, come and see us.

If you are in the market for a home, a farm or an investment, come and see us.

Remember a specialist becomes an expert and an expert, who appreciates his moral obligation to his client, will point out facts and possibilities, both good and bad, that are usually overlooked by the average buyer.
