What's the Use

If your business doesn't grow you are a failure, if it grows big, you are a menace.

We Sell Real Tinware

You CAN get the other kind, but the factory that sells us don't make it.

Our Tinware has a good thick plate. It's DURABLE and NOT expensive.

It's hard to beat good tinware for pie plates, cake pans, stew pans, dippers, boilers, etc.

The housewife likes it because it cooks QUICKLY and nothing equals good heavy tin for a wash-boiler.

In buying we are pretty good buyers, and that's why we can sell GOOD goods CHEAP
