**Does Your Spine look like this?**

Perfect rest and relaxation is yours when you sleep on a REST-RITE bed spring. The perfect spring is the one that gives you the most rest and relaxation.

**Then why bed springs like this?**

The ordinary bed spring does not give you the most rest and relaxation. The perfect spring is the one that gives you the most rest and relaxation.

**REST-RITE**

"fit the form"

Perfect rest and relaxation is yours when you sleep on a REST-RITE bed spring. The perfect spring is the one that gives you the most rest and relaxation.

**Experts Worked for 25 Years to Perfect this BETTER Spring**

YOU want a real "form-fitting" bed-spring—a spring that would yield to every curve of the body without sagging. And here it is! Notice the helical springs all run vertically; paralleling the lines of your body. No sideways, either. The 130 deep cone coils are mounted in a rigid steel frame. Other makes offer less than 100 coils.

All spring parts have full action. No friction. Thus no noise. Sanitary. Readily cleaned. Built for lifetime service, yet light and convenient to handle. Sold under a guarantee of perfect satisfaction. Select your REST-RITE this week and get a \$2.50 cover FREE. Made of fine ticking. Protects mattress from dust.
