

Would a Thief Get Your Valuables?

Keeping valuable papers, heirloom pieces of jewelry and other priceless possessions about the home where they are in constant danger of thieves, is such folly when you can, at so little cost, rent a safe deposit box, ample in size, to keep them in safety. If you have never been into our safety vault, take the time tomorrow to inspect it. Then you can see for yourself what a big measure of safety you may secure here.
