A PROPHECY

Ten Years Hence

every east and west section line road in the territory bounded by Farmington on the North, Plymouth and Northville on the West, Michigan Avenue on the South and the Detroit City Limits on the East, will be great business thoroughfares or Super Highways, 120 feet wide. There will be far more traffic upon these avenues than there is on Grand River Avenue between Farmington and Redford at the present time because Detroit will have doubled its population and the land lying between will be much more densely populated.

That is, in a nutshell, our reason for being so positive that Frontage upon these Thoroughfares will then be worth more than Grand River Avenue Frontage is today. In fact, we believe it will be worth approximately twice as much—and Grand River Avenue Frontage between Farmington and Redford is now selling for an average of \$125.00 per foot.

This is why Subdividers are finding a ready market for their frontage along these highways at \$50.00 per foot.

For many years conservative people, lacking vision, have been calling investors in this type of property "suckers" but in the great majority of cases these "suckers" have realized more than 100 per cent per annum on the actual money invested.

Today, we are announcing the sale of 700 feet of Frontage on the Base Line Road just off the Farmington Road, at

\$22.50 per foot with 10 per cent down

and it has a depth 250 feet.

\$10.00 will make a reservation. Be sure and see us today. Tomorrow may be too late and you cannot afford to neglect the season's best investment opportunity.

NORTHLAND CLUB
DANCING PARTY
The dancing party given Saturday evening at the Northland Country Club was attended by several Farmington people, including, Mr. and Mrs. Harrison Johnson, Mr. and Mrs. Carl Hogle, Mr. and Mrs. Ralph Hogle, Mr. and Mrs. Arthur Lamb, Mr. and Mrs. Clarence Bickling, Dr. and Mrs. C. F. Weaver, Mr. and Mrs. Tracy Conroy, Mr. and Mrs. Bert Simpson, Mr. and Mrs. Orley Pickering.

Work has been commenced on the roads in Farmington Acres, a new subdivision at Base Line. The residents will appreciate this movement which is much needed as there are some places where the roads are impassable even in August.

Mr. and Mrs. Charles Heliker entertained Saturday evening at dinner in honor of the first wedding anniversary of Mr. and Mrs. Oliver Lowe of Birmingham. Following the dinner the evening was spent playing cards, at the close of which, watermelon, grown by Mr. Heliker was served the guests. Mrs. Lowe was formerly Miss Pearl Heliker.

WHY SO RAMPANT?
ANSWERED FROM LANSING
The following report sent out from Lansing yesterday explains in a great measure why crime is rampant:

Nearly 25 per cent of the state's prison population has been turned loose on parole this year by Governor Alex J. Groesbeck, despite widespread hue and cry over increasing crime, and resentment of judges and other officers over what they characterize as nullification of their efforts at law enforcement.

Th last month on record, August, shows that 184 prisoners were liberated on parole in that period while 166 were received. Paroles for the first eight months, this year total 1,031. These figures cover the penal institutions at Jackson, Marquette, Ionia and the Detroit House of Correction. State prisoners, mostly women, are boarded at the latter prison.

Since the new parole system was set up experimentally by the legislature of 1921, giving the governor complete control over issuance of parole as part of his monopoly of authority in state
