Whenever In Pain

Pains of various kinds are the lot of many of us at times. They can quickly be relieved by means of hot applications, generally speaking. Hot water compresses are frequently used.

But the cleanest, least troublesome and best way of applying the curative heat is by means of the

ELECTRIC HEATING PAD

Ready for use in an instant; can be operated from the nearest lamp socket, and will supply heat continuously, day or night, without giving the least bit of bother.

Come in and let us show you, today.
