State Detectives Assist Local Officers In Solving Crimes.

Many calls have recently been made upon the Secret Service Division of the Michigan Department of Public Safety by local Sofficers for sasistance in solving crimes occurring in their communities. Success has quite generally attended these

sing in their communities, success has quite generally attended these cases.

Alan G. Straight, head of the Department of Public Safety, was formerly a member of the federal service and he has therefore taken particular interest in building my limb branch of the State Folice. His experience in this kind of work tas been very valuable of the State Folice. His deep head of the State Police, is the deep head of the State Police, is the deep head of the State Police, is the deep head of the state o

Uses Latest Methods

The great advantage of such a division is that its members have full opportunity to employ the latest methods of criminal investigation. Pull eco-peration is, afforded by the state in the distribution of purpose of the properties of Public Safety. The state detectives also have the opportunity for chemical analysis when required in poisoning and arson cases and others of like nature.

Fred Armstrong, who is assistant chief, of the division, was formerly in the state marshal's office as investigation of arson cases. He has investigation of arson cases. He has a like the solution of arson cases. He has a like the solution of arson cases. He has a like the solution of arson cases. He has a like the solution of a like the solution who have, distinguished themselves are George Waterman, Charles Burnham and Edgar T. Adams, all of whom have unraveled extremely difficult cases since joining the state service.

Declares Music Cure for Mental Trouble

for Mental Trouble
A medical journal has rejevally announced the results of some experiments made to ascertain the relation
of music and medicine.
One curlous place of news obtained
is that if a lively air is played on a
harp or mandolin, a man's ired muscles regain their original vigor. The
music of a vidoncello, on the other
hand, has a precisely opposite effect,
it remporarily lessenting the nisual
