

A Merry, Merry Christmas

The year on which the doors of time will soon swing shut, has been a year rich in experience; full of disappointments to many, but withal a goodly measure of accomplishment. We find much for which we are indeed grateful.

As we near a beginning of a NEW YEAR we are especially mindful of our good friends and patrons to whom we are indebted for helpful co-operation and sincerely wish all a MERRY CHRISTMAS, a successful year and a greater opportunity for progress.
