## A Christmas Greeting from Your Library

As Christmas day approaches we wish to extend to you as a friend and patron of the Library, a word of greeting, and to express the hope that during the coming year, we may continue to serve you as in the past.

The year just ending has been one of great activity for the library. We have welcomed many new friends and patrons. But we hope to welcome many more in the year to come.

You probably have a friend or neighbor who does not now use the library or know of its advantages.

Will you not as a Christmas act, bring at least one such friend to the library? Or, if more convenient, give us his or her name. We will then send an invitation to come to the library, using your name or not as you prefer.

Remember that it is the right and privilege of every resident to make free use of the Public Library.

With best Christmas wishes,

YOUR PUBLIC LIBRARY

A MERRY CHRISTMAS and A HAPPY NEW YEAR
