CHRISTMAS IN PIERSON DISTRICT

The Christmas entertainment in Pierson District was held Tuesday evening. A large and appreciative audience listened to a good program by the pupils of the school. Much credit is due Mrs. Wagnonschultz, principal of the school, Miss Davis, teacher and Mrs. Earl Wolfe for the excellent program. A poem, "The Passing of the Old Pierson School House" by Dr. and Mrs. McLean was read by Mrs. Wagnonschultz.

"Elements", The term element was first given its modern meaning by Robert Boyle, an English scientist, who lived from 1627 to 1691. Certain of the elements, however, were known to the ancient alchemists, but their conception was not exact.

Too Advanced: A young woman in Los Angeles has been adjudged insane because she does not want to wear clothes. That is always the fate of those who are a generation ahead of their time.—Houston Post-Dispatch.
