

Mr. and Mrs. Walter H. Mapes of Manitou Beach, Mich., announce the engagement of their daughter Gloria Ann to James Michael Webber, son of Mr. and Mrs. John Webber of Farmington Hills.

The bride-to-be is a graduate of Michigan State University employed as a sales representative for Kurtz Steel in Dayton, Ohio. Her fiancé is a graduate of North Farmington High School and Michigan State University, employed as a packaging systems analyst with Mead Corporation in Cincinnati, Ohio.

A June wedding is planned in University Lutheran Church, on the MSU campus.

Harp soloist in concert

Christa Grix will be presented this weekend by the Novi Chamber Music Society in a program of music for solo harp. The performance will take place Sunday, Jan. 22 in Faith Community United Presbyterian Church, 44400 Ten Mile Road in Novi.

Admission is \$3 for adults, \$2 for students.

Grix, a resident of Farmington, is a member of the Birmingham-Bloomfield Symphony and has performed with the Detroit Symphony, the Michigan Opera Theatre and the Kenneth Jewell Choral. She was a featured Young Artist at the Scotia Festival of Music in Nova Scotia last summer.

AAUW meets

American Association of University Women (AAUW), Farmington Branch, meets at 7:45 p.m. Wednesday in Farmington Branch Library, State and Liberty streets.

The chapter invites guests to hear Margery Epstein, a lawyer active in the Oakland County Bar Association, whose topic for the evening is "Women and the Law."

This contract saves lives

A major multimedia education effort to fight teen-age drunk driving has been launched by a coalition of pro-football players, educators, students and the liquor industry.

The campaign is aimed at stimulating what is termed "the most effective, untapped weapon against drunk driving" — the American family.

Centerpiece of the campaign is a "Contract for Life," developed by Students Against Driving Drunk (SADD), a Massachusetts-based network of students in some 6,000 high schools coast to coast. The Contract calls on parents and teen-agers to agree that either may call home for help at any time if they or their driver has had too much to drink to drive safely.

According to Robert Anastas, SADD founder, "communities where the Con-

tract has been widely used have seen a noticeable reduction in teen-age highway deaths."

Dallas Cowboy wide-receiver Drew Pearson stars in the campaign messages, which were developed for the program by the Distilled Spirits Council of the U.S. (DISCUS).

DISCUS spokesmen point out that "teachers, police, judges and jailers all play an important role in stopping drunk driving but they can't do the whole job. Families are the cornerstone of our social structure and must play a more active role in solving the problem."

The liquor industry has pledged to send a Contract to every American family asking for one. To obtain a copy, write to SADD Contract, Corbin Plaza, Marlboro, Mass. 01752.

A "clepsydra" is a water clock which uses the dripping of water to fill a calibrated vessel in order to measure time. One physician of the third century B.C. used such a device to time the pulses of his patients.
