Farmington Community Center's 15th annual fund drive is now under way.

Over the years, businesses, corporations and individuals have contributed to the center's accomplishments. In 1969, more than 25 organizations led the fund drive to its most successful year, with \$60,000 in contributions and special gifts.

Accomplishments that took place last year included extensive repairs and decorating to the center, which provides accommodations for cultural, social and educational activities.

This year's co-chairpersons are Betty and Richard W. Frankel, Alice and Don Nichols and Lynn and Bob Talbert.

The center looks forward to a successful 1984.

"We hope to exceed last year's contributions by approximately \$5,000," said Wilbur H. Davis, financial development chairman.

Those interested in making contributions or volunteering to assist with community activities are asked to contact Betty Frankel, executive director, Farmington Community Center, 24705 Farmington Road, Farmington Hills 48018.

# Overcoming grief is seminar subject

A program called "Personal Perspective on Grief" begins with a free introductory session at 7 p.m. Thursday, March 15 in Botsford Hospital, Grand River, west of Eight Mile Road.

The program continues for six consecutive Thursday evenings for those who wish to continue learning more about overcoming grief after the loss of a loved one.

"This program is designed to center on the needs of the survivors in order to make a healthy transition for positive living in an organized and supportive environment," said Lynda Clark, the program's instructor and developer.

She emphasizes the program is not a substitute for therapy or counseling. The goal is teaching the skills and techniques to aid the survivor in the transitional period of his or her life.

Cost for the program is \$35. Pre-registration is required by calling the hospital's Department of Health Promotion and Development, 471-6990 from 8 a.m. to 5:30 p.m. weekdays.
