NO MAN WANTS TO GO BALD
Of course not, yet up to 80% of all males will experience some degree of hair loss or baldness. Thinning hair can occur at any age and add false years to your appearance.
Hair loss may result from a variety of systemic and local scalp disorders, anxiety, vitamin, mineral and protein deficiencies, even improper styling can be a contributing factor.
If you're losing your hair, don't accept baldness as being the inevitable end result. Learn the facts about your hair with a private, complimentary examination and consultation.
Call a Thomas Clinic today for an appointment. Find out if professional treatment can restore your normal hair growth cycle.
