WORTH \$325.  
BUY ONE AT OSMUNS  
FOR \$219.90.**

Sure! You really can afford a new suit! Just come to Osmuns and see what we've done to suit prices! Yes they're down—while everything else at Osmuns is still up to the high standards that have made us famous for more than a half-century. You'll get sales people who know how to help you (not just help themselves), tailors who aren't just a bunch of sew-and-sews, charge plans, and a complete selection of everything you need to go with your new suits.

So come and see what's happening at Osmuns. Look around. Look at this great collection of Cassini suits. Look at other suits. Look in the mirror. Look great! And think about the money you're saving. You'll be able to get all dressed up and you'll be able to go out, too.

While 219 suits last.
