HAVE A HEART!
Protect your dog against heartworms
Complete care for your dog should include a yearly blood test for heartworms—a condition that can infect dogs of every age, sex and breed. A blood test now and preventive medication through Fall are your dog's best defense against this slow and silent killer.
Get a pet reflector ID tag FREE!
With every heartworm blood test at any **FIRST VETERINARY CLINIC**, you'll receive a pet reflector ID tag FREE!
