These 12 young people have won 10-speed bicycles. And, like the Tigers, they did it with a mixture of dedication and professionalism along with a dash of luck.

DEDICATION—Each of them has done an outstanding job of delivering your hometown news twice each week.

PROFESSIONALISM—Last February each of these carriers exceeded their January collections. They've also kept accurate, neat records and paid attention to details.

LUCK—All of this made them eligible to place their names in the drawing for a brand new 10-speed and they won!

Who knows? There could be a professional ball player here or a future computer whiz or a doctor, lawyer....we can't see what's ahead for our winners but we know from past experience that being a carrier can give valuable lessons in responsibility, promptness, public relations, self reliance and courtesy.
