JOANNE LOW JUDY DESIMINI

Q. We are getting ready to sell our home and move to another city. My husband thinks we should rent a house for awhile until we decide on where we wish to buy. What do you think of this idea? Mrs. Strand - Nov.

A. After making the move, do not wait too long before deciding to buy a home. The tax free rollover first permits a taxpayer to sell his or her home without paying tax on the gain. To qualify, the taxpayer must buy a new house that costs at least as much as the old home's "adjusted sales price." The new house must be bought and occupied within two years. The IRS has not looked favorably on going over this two year period.

Thinking of selling your house? Call Joanne Low or Judy Desimini at Real Estate One, 477-1111. We will give you a free appraisal and this is a great time of year to sell.
