GRIEF WORKSHOP

A day-long workshop for health care professionals and lay persons will be held Saturday, June 9, and Sunday, June 10, at the Holiday Inn, Bloomfield. Topic will be "Death as an Advisor: Living and Loving through Letting Go - NOW!" Discussion leaders will be Sandy Brent and Fred Thompson. For more information, call 358-3046. Cost for the day-evening seminar is \$25.

LIVING WITH ARTHRITIS

Dr. Mark Hottenberg will speak on pain management through physical rehabilitation at the next session of the Living with Arthritis program at Harper Hospital, Detroit. The meet is scheduled for Saturday, June 9, at the hospital, 3990 John R. For more information, call 494-8983.

BLOOD PRESSURE

Boisfort General Hospital will offer a free blood pressure screening and follow-up session from 1-4 p.m. Monday, June 11, in the Administration and Education Center, Classroom C. The hospital is located at 28059 Grand River, Farmington Hills. For more information, call the Department of Health Promotion and Development at 471-8000.

CEREBRAL ANEURYSM

Neurologist Dr. J.U. DeSouza will speak at the next meeting of the Cere-

bral Aneurysm Association Inc. (CAAD) at 7:30 p.m. Tuesday, June 12, at St. Mary's Hospital, Levan and Five Mile roads, Livonia. DeSouza is an assistant professor clinical at Wayne State University and is on staff at St. Mary's and Oakwood Hospital, Dearborn, with offices in Livonia and Dearborn.

CAAD, which had its first meeting in April, is a support group for persons who have had aneurysm surgery and are still experiencing after-effects. These problems include loss of memory, extreme depression, speech, vision and hearing loss, and personality and motor coordination changes.

For more information, call Dr. Marilyn Lighton at 453-7900.

ATHLETES' WORKSHOP

Sports medicine specialist Dr. Jerome Chillo will offer a free workshop on body mechanics at 7 p.m. Tuesday, June 12, at the Parks and Recreation Building in the Southfield Civic Center. Chillo, an orthopedic surgeon, will be offering tips especially for part-time athletes.

He will demonstrate how the body reacts to exercise, workouts and competition. His goal will be to teach the audience how to get the most benefit from exercise with the least risk of injury.
