Careers serving the elderly will be discussed at an open house 7:30-9 p.m. in room 188 at Madonna College, Livonia, Tuesday, June 19.

Sponsored by the department of gerontology at the college, it will focus on careers for human service such as home health care, adult day and foster care, hospice, senior citizen housing administration, nutrition and recreation. Prospective students and interested citizens are invited to attend.

"WITH MORE SENIOR citizens in this country than teenagers, a whole new service industry is growing to meet their needs," said Kathleen Needham, chairperson of the Madonna

gerontology department.

Madonna College offers programs in gerontology leading to a bachelor's or associate degree, or a certificate of achievement. Areas of specialization include activity therapy and aging and mental health. Students gain valuable experience through field placements in the metropolitan Detroit area and work experience may be evaluated, as equal to college credit.

Madonna College is located at 1-96 and Levan Road in Livonia. It offers liberal arts and career programs to men and women in day, evening and weekend classes. For more information, call 591-5191.
