# Teens activities center opens June 25

By David Horne  
Special writer

The Farmington Summer Activities Center will open its door to area teens Monday, June 25. For the seventh year, the center will provide a fun place for teens 12-17 to go on warm summer evenings.

Located in the Shawansee Recreation Center on Shawansee Road, between Orchard Lake and Nine Mile, the center is operated on a drop-in basis. Teens are welcome 4-6 p.m. and 7-10 p.m., Mondays, Tuesdays, Thursdays and Fridays. This year Wednesdays will be reserved for field trips.

Many free activities are available to teens at the center, including sports, ping-pong, pool and pinpong.

Movies, pizza and ice cream parties are often on the agenda.

Field trips this year include horseback riding, a canoe trip, a visit to the Oakland County Wavepool, a Tiger baseball game, a picnic at Kensington Metropark, a trip to the zoo and Bobo Island. A trip to the Four Bears Recreation Area is an added possibility this year.

All teens need to participate is a one-time permission slip signed by their parents.

The center is sponsored by Farmington Youth Assistance (FYA) and funded by United Community Services, Farmington Public Schools and the cities of Farmington and Farmington Hills.

Darrel Emerson, a Livonia school teacher, is director of the center for the fifth straight season. Assisting Em-

erson will be four college-age assistants, two male and two female, and two CETA workers.

THE CENTER will be open for eight weeks, until Wednesday, August 15. There will be no field trip Wednesday, July 4.

The center staff can expect 50-60 teens dropping in each night.

The Summer Activities Center committee has announced a community and parent open house 7-9 p.m. Thursday, July 12. All parents of teens and interested community members are invited to attend and see how the center operates.

Committee members also appeal to the community for volunteers in assisting the teens in areas such as model building, hair and make-up and aerobic

dancing. Any person with appropriate skills who could drop by on a volunteer basis is encouraged to contact Farmington Youth Assistance, at 478-5540.

Donations of recreation equipment and fans would also be greatly appreciated.

The center is ideal for the restless teen and short attention span of many young teens. Aside from providing safe recreation, it gives young people a neutral place to talk with each other and with a sympathetic adult staff and counselors.

Teens have "their own place" at a time of day when tensions between youngsters and their parents are often at their highest.

The Summer Activities Center is well received in the area.

# Lutheran High Northwest awarded \$3,000 grant

Lutheran High School Northwest, Farmington Hills, has been awarded a \$3,000 grant for the 1984-85 school year from Aid Association for Lutherans (AAL).

The money will be used to subsidize tuition and related expenses for 11 teachers seeking advanced degrees. The grant is part of AAL's Lutheran High School Enrichment Program which will provide more than \$445,000 this year to nearly 100 Lutheran high schools in the U.S.

Local high schools determine their needs in three general areas: faculty and staff development, program enrichment and constituent relations.

Last year the grants helped 758 Lutheran high school faculty members seeking advanced degrees, state certification or other professional development.

Schools used the grants to purchase microcomputers, printers and software, audiovisual equipment for foreign language, music, speech and drama courses and physical education equipment. Other courses were developed or enhanced for college-bound students, and to teach skills ranging from first aid to library science.

The grants were used to develop recruiting sources, and for newsletters and church bulletin inserts to increase their general visibility. Other schools used the grants for new student orientations, to train students to present drug education programs to elements

ary students, and for job placement services.

"AAL recognizes the importance of providing for Christian education and is proud to support the growing ministry of Lutheran high schools," said Barbara Kuehn, administrator of AAL's high school grants.

AAL is the nation's largest fraternal benefit society providing insurance and fraternal benefits to 1.3 million members. There are approximately 106,000 AAL members living in Michigan.

# Auto perspectives is topic for meeting

The Farmington Men's Club will conclude its season with a meeting at noon Thursday, June 21, when Steven Welner will talk on "Perspectives on Automotive Manufacturing."

Welner is a scientist in Manufacturing Development Center, Ford Motor Co. He will draw on his long experience with Ford manufacturing operations to talk of the scope of Ford operations; the problems of scheduling; and the impact of new operating strategies, such as computer integration.

He will show a video tape and demonstrate modeling techniques used for analysis.

The make-your-own sandwich luncheon follows his talk.

The event is open to all area men. Reservations are necessary and must be made at least 48 hours in advance by calling the center, 477-8404. Fee is \$4.

Steven Welner

# Young musicians score

Jana Bolla, an eighth grader at East Middle School, was given a high honor mention when Metropolitan Youth Symphony announced the winners of its 1984 scholarship competition.

Other Farmington Hills residents who took honorable mentions were Brooke Beresh, a seventh grader at Warner Middle School, and Wendy Wojtowicz, an eighth-grade violinist.

The orchestra, based in Southfield, gave \$1,200 in scholarships this season.
