

### Patterson-Ellsworth

Mr. and Mrs. Russell L. Patterson of Redford announce the engagement of their daughter Patty to Jerry Ellsworth, son of Mr. and Mrs. Duane R. Ellsworth of Davison.

The bride-to-be is a graduate of Thurston High School. Her undergraduate work was done at Alma College and graduate work at Eastern Michigan University. She is employed as a teacher with Hamtramck Public Schools.

Her fiancé is a graduate of Davison High School and Alma College, employed with Geosale Domes.

An August wedding is planned in Northville Presbyterian Church.

The Amputees Support and Service Group, founded this spring by Farmington Hills resident Bev Cornell, has started a letter answering service. The group invites all amputees to write to them, describing their amputation, their problems with phantom pain, their dependence on others, adjustments in attitudes of their family

and children, problems with hygiene and discomforts.

The group also welcomes what Cornell calls "support letters" from those who have overcome problems that can be shared.

Letters are to be addressed to Cor-

nell at 31917 Wayburn, Farmington Hills 48016.

Cornell, who lost a leg last year, formed the group this spring after learning that there wasn't a group of its kind in the metro area for amputees to support one another. Her aim is to improve the quality of life for its members.

She will be telling about her own experience and the workings of the group when she is a guest on Kelly & Company, Channel 9, at 9 p.m. Monday, July 16.

The group will forego its July meeting and instead attend the annual Wheelchair Daze Picnic, from 11 a.m.

to 7 p.m. Saturday, July 28. Members, as well as non-members who are disabled, will be guests of Wright & Filippis for the picnic in Drayton Plains. Cornell is taking reservations for the event. Call her at 353-8974. Regular meetings resume at 7:30 p.m. Tuesday, Aug. 7 in the Wright & Filippis Building, 2845 Crooks Road, Rochester.

As for the new letter-answering service, Cornell said, "Any questions will be answered pertaining to being an amputee and the problems that can go with it. The letters will be read at the meetings and talked on how they should be best answered. Please feel very free about writing to us."

### Spisak-Gabbert
