Surgical society elects president

Dr. Elle D. Aboutafia of Farmington Hills has been elected president of the Southeastern Michigan Surgical Soci-

Aboulafla received his medical de-gree from the University of Geneva, Switzerland. He underwent his intern-ship at Michael Reese Hospital in Chi-cago, Ill., and was a surgical resident at Belleview Hospital, New York City.

He became a vascular surgical resident and fellow at Tutta-New England Medical Center, Boston, Mass.

He serves on the staff of Slnai, Bots-ford General, Detroit Memorial, North Detroit General and Crittenton hospi-tals. He is a member of the American Medical Association, Wayne County and Michigan State Medical societies. His office is in Southfield.

_earn about hospice care

Three courses in hospice care will be offered at Madonna College in the fall term.

term.
"Fundamental Concepts in Hospice Care." will meet from 3:50-8:30 p.m. on Mondays. It will be taught by Sr. Cecilia Eagen, director of the hospice care program. This course emphasizes the philosophy of care of the hospice movement, covers its history and reveals recent studies done in the hospice field.

A second course, "Psychosocial Aspects of Hospico Care," will be held 7-10 p.m. on Wednesday evenings. Couun-seling techniques will be taught, and

consideration will be given to bereave-ment, especially the child and adoles-cent. Mental health aspects such as pa-tient anxiety and employee stress will be treated.

On The Street Asset Mental Conference of the Conference o

On Tuesday afternoons, "Comfort and Care for the Hospice Client" will meet 1-4 p.m. In this course, the physical aspects of therapeutic interventions will be taught. These include pain and symptom control in the practice of pallative care, comfort measures performed for the debilitated and incapacitated patient and commonly occurring pathologies.

pathologies. Madonna College has initiated what

is believed to be the first college curriculum in Hospice Care.
Professionals and volunteers interested in the Madona topice care programment of the Madona topice care programment of the contract work. Students majoring in other human service areas may earn an eademic minor in hospice care with 20 semester hours.
