A two-hour credit course - Theory of Coaching Basketball - will be offered at the Highland Lakes Campus of Oakland Community College during the 1985 winter semester.

The course will be valuable for all coaches regardless of what age group or sex they are coaching," said Lynn Reed, who has a 26-year coaching career at all levels of basketball.

The course begins Jan. 5 and meets from 10 a.m. to 1 p.m. Saturdays for 10 weeks. It will stress developing a personal philosophy of coaching, developing a system of penalties, organization

and drills: developing a complete defensive system; developing a complete offensive system.

Anyone interested in enrolling should call organizers at the Highland Lakes Health, Physical Education Building of Oakland Community College at: 380-3116 or 363-6666.
