

"I dropped Blue Cross!"

Georgia Estep
switched
from Blue Cross to
HealthPlus of
Michigan for her
health care.

Over the past 5 years, thousands of GM employees have dropped their Blue Cross coverage and have joined HealthPlus of Michigan.

And now, a lot of GM retirees are switching, too. Why?

Why did Georgia Estep join HealthPlus of Michigan?

It's simple. To get better health care... and save money too.

Visits to your plan physician are free!

When you join HealthPlus of Michigan you get your own personal doctor that you choose. And visits to this doctor are free, starting April 1. Routine check-ups and visits to specialists — when referred by your plan physician — are free (\$10 co-payment for mental health services). There are no claim forms to file... no records for you to keep.

Prescriptions are free

at hundreds of participating pharmacies, when prescribed by your plan physician. And, still, *you file no claim forms.*

For hospital stays,

you get unlimited days for necessary medical and surgical care.

For skilled nursing home care,

you get 730 days free with HealthPlus of Michigan.

For emergency care.

For emergency care, you're covered anywhere in the world.

The system works like VISA® or Mastercard®; the doctor or hospital can call our 24-hour number on the back of your card to verify your coverage is current.

And with HealthPlus of Michigan, you're covered...

for lab work, home care, treatment of glaucoma, wheel chairs, and more. And remember... *you don't have to file any claim forms.*

How can HealthPlus of Michigan offer all this?

Because we're an HMO. HealthPlus of Michigan saves money by working to keep you healthy, and by coordinating your health care through your own personal plan physician.

Is HealthPlus of Michigan right for you? Don't you think you should at least check into it?

How can you join?

It's easy! Just mark the box for HealthPlus of Michigan on your GM Informed Choice Plan election form. The enrollment period ends February 5. Your HealthPlus of Michigan coverage will become effective on April 1. Until then you'll continue to receive your full Medicare and Blue Cross coverage.
