

Today's couples choose honeymoons that combine privacy and romance with personal interests and activities.

Dear Bride-to-be,
We invite you to stop in for a sample of our cake... you'll taste for yourself the moistness of our batter and the rich, creamy smoothness of our buttercream frosting.
We trust that you will invite us to custom dress on a wedding cake for you that will look and taste as extraordinary as the care and quality we put into our work.
Sincerely,
Sharon and Sharon Koster
