OFFICE SERVICES COORDINATOR

Smart move

The place to move your career these days is in the high-tech direction.

Usually, the heavier your technical background, the better your chances of joining an industry leader.

However, Digital Equipment Corporation, one of the world's largest and most highly acclaimed computer companies, wants you to know that a technical degree is not the only way to become a part of one of the most dramatic growth stories in business history.

You can play a key role with us as an Office Services Coordinator, assisting the Facility Supervisor in a variety of special projects.

You will plan and implement office moves and renovations, control asset inventory, insure building security and ascertain that housekeeping stan-dards are being maintained. And, you will become knowledgeable in the use of our telephone systems and

eventially train other employees in their use. Also, from time to time, you may fill in for the receptionist and shipping clerk.

and shipping clerk.

To qualify, you will have a high school diploma and at least 2 years from the most of the areas of top-gonability outlined above. You should also be detail-oriented and have the communication skills required to interface effectively with a variety of people. Additionally, you should also be do ability to fit and move 30-50 pound packages/objects, if required.

if required.

If you enjoy variety and desire the kind of working cuvinonment where our contributions are recognized, forward your resume, including salary history, to: Swe Bolton Smith, 13 mill Equipment Corporation, 12pp. 10124-3232, 21333 Haggerty Rd., Novi, MI 48050.

We are an affirmative action employer.
