Beach Party

So you're tired of winter. Well, so were a group of students over at Harrison High School who declared Thursday evening Hawaiian night. Students showing up at that night's basketball game appropriately were dressed in Hawaiian shirts, shorts, sunglasses and hats. While a group (top) bounced a beach ball around the bleachers, Barbara Boulos (left) and friend Alise Key strolled the gymnasium floor as if they were taking a walk along the beach.

Tip-Top Totz

Boy, have we got some smart parents! Even with their busy schedules, we still have our special time together.

A play exercise program of fun and fitness for parents and their children ages 3 months to 4 years. With the aid of the teacher, you and your child will learn exercises that will enhance growth both physically and mentally.

While your child thinks he is playing, every exercise and piece of equipment at Tip-Top is designed to develop body awareness, develop fine and gross motor skills, all of which promote confidence & positive self-image and benefit later learning. The Tip-Top Totz program is designed to enhance each stage of your child's development with each child progressing at their own pace.
