Come on down. Calling all producers. The Farmington Founders Festival will be the site of the videotaping of two insight programs on July 19 as well as the videotaping of the parade on July 20. We would like all those involved with producing shows on Channel 12 to come down. We encourage all residents of Novi, Farmington and Farmington Hills to mark their calendars for July 19. We will be ready to

answer your questions about local programming and invite you to meet the stars. You'll be able to see the Metrovision truck and all the equipment. You'll be able to sign up for fall workshops and share ideas and meet the crew. You will hear the lingo and see the faces of those on Channel 12.
