Loads of fun

Another feature of the Founders' Festival this year will be the W.G. Wade carnival at the Farmington Plaza on Grand River and Orchard Lake Roads. The carnival runs from noon to 11:30 p.m. daily July 17-20. Discount passes will be available from local merchants.

...Botsford General Hospital, which has for over 20 years delivered quality health care services to our community, is pleased to offer our best wishes for yet another successful Founders Day Festival.

...Botsford and its affiliate companies, as one would anticipate from the contemporary health care institution, provide services in all major medical disciplines and allied areas including:

- General and Specialized Surgery
- Obstetrics, featuring an Alternative Birthing Unit
- Pediatrics
- CT Scanning and Nuclear Medicine
- State-of-the-Art Emergency Department
- Detoxification Unit for those suffering from various chemical dependencies
- Ambulance service via the Community Emergency Medical Service
- A Continuing Care Center (Farmington Nursing Home)

an osteopathic institution serving the community

28050 Grand River • Farmington Hills

...We serve again this year as the official ambulance service for the Festival, and we invite everyone to stop by the Botsford exhibit at the Grand River/Farmington Road and pick up our free literature.
