Remember When A 9.75% (APR) Auto Loan Was Still In Fashion?

Ten years ago, two things were all the rage. Extra-wide ties. And extra-low auto loan rates. Today, First of America reintroduces 9.75% variable interest rate auto loans. Auto loans that are good for any new make or model car or light truck. With whatever options or special features you want.

Loans that are available at First of America offices all over Metro Detroit. And at our new Pontiac locations (formerly Community National Bank of Pontiac). Call your nearest First of America bank to find out how to get a 9.75% variable interest rate auto loan. Because it may be another ten years before auto loans are this fashionable again.

FIRST OF AMERICA
WORKING TOGETHER TO BE FIRST.

*Rates may vary outside the Metropolitan Detroit area. Offer not available at all First of America banks. Annual Percentage Rate subject to change after loan closing. Members FDIC.
