Friday, Oct. 18

Call 553-7303 and request repeats of your favorite Channel 12 shows. They will be cablecast on Friday 4-9 p.m.

## State provides ID cards

New procedures and requirements designed to improve personal identification cards issued by the Department of State, went into effect Oct. 1. Secretary of State Richard Austin said.

Personal identification cards are the same size and color as driver licenses and are issued on request. More than 600,000 such cards have been issued since 1976, when the Department of State was given responsibility for identification cards.

The Department will implement the following changes effective in October.

• Computerize the records of identification cards issued on or after Oct. 1, 1985. Previously, this was done manually.

• Issue identification cards only to those individuals who do not have a

driver license. Previously, anyone could apply.

• Issue identification cards for a period of four years. Previously, identification cards were issued for an indefinite period.

All current cards now in possession of individuals will expire on the cardholder's birthday in 1987.

Although a driver license is not intended as identification, it has been used more and more during the last two decades for identification purposes between parties in private transactions.

## save energy

Keeping your freezer and refrigerator as full as possible makes for more efficient cooling. Food retains cold better than air, thus reducing the load on your freezer or refrigerator.

## You don't have to leave Livonia when you need cataract care

Livonia Cataract Center uses advanced procedures and sophisticated equipment to perform cataract surgery. Usually no overnight stay is required, and there is little discomfort before or

after surgery. If you need transportation to and from your surgery, we'll be happy to provide it free. And, remember, most insurance plans cover the complete cost of surgery.

We would welcome the opportunity to give you an unhurried consultation. Call Livonia Cataract Center at 522-0805 for an appointment close to home.
