Million More

There are 7.1 million customers of the electric utility industry in the United States, according to a Detroit Edison spokesman. This 1969 year-end figure represents a 1.4-million increase over that of one year ago.

Zionism

Not all Jews are Zionists. Zionism is the word for the movement, which, in the late 19th century, was led by Theodor Herzl, who worked for the establishment of an independent Jewish state in Palestine.

Defoliation by insects reduces the food-making powers of a tree and weakens it for a season. It does not kill the tree unless defoliation occurs for several years running.
