

Thinking of Transferring?

Then You're Our Kind of Student!

Because Walsh College specializes in transfer students. All of our students transfer into our undergraduate degree programs from a four-year college or university, or community college. After successfully completing 60 semester credit hours at an accredited college or university you can transfer to Walsh College to complete your final two years. As an upper-division college Walsh College only offers the final two years of a bachelor degree program.

Why Should You Choose Walsh College?

Quality Education. Walsh College offers a specialized education in business, providing you with instruction in both the theoretical and practical applications. Walsh College faculty are practicing Detroit area professionals bringing their experience to the classroom, providing you with the tools you will need to succeed in business. The classes are small allowing for more student and instructor interaction.

At Walsh you can earn a Bachelor of Accountancy Degree or a Bachelor of Business Administration Degree with a major in Computer Based Information Systems, Finance, General Business, or Management.

The Walsh College Placement Office will assist you as you prepare your resume and plan for employment interviews. Through the placement office Walsh College seniors have opportunities for on-campus interviews with prospective employers.

Who Attends Walsh College?

Students just like you. Our students work toward their degrees on either a full-time or part-time basis. Identical coursework is offered in both day and evening classes, Monday through Saturday. To assist with the cost of your education the Walsh College Student Financial Aid Office can provide you with information regarding the availability of scholarships, grants and loans.
