As 1985 draws to an end, so does the time criteria for programs that may compete for awards. Television shows to be nominated for competition in our annual awards ceremony must have been viewed by Channel 11 in 1985. The nomination entry forms will be out in our winter newsletter. Therefore, if you have unedited footage, please burry up and finish it.

It.

Upon reviewing our two years of programming, it is overwhelming to note how improved everyone's techniques are. We salute all who have endured the long hours and diligence of trial and error. Thank you.

Anyone may nominate their production if it was produced in our system, or the production of someone else.

Therefore, be sure to call the production staff to have your show scheduled on Channel 12 to refresh your memory.
