## Long awaited event

A 12-foot-high steel sculpture, "Musical Roll," by John Plet, was installed in front of St. Joseph Hospital, Pontiac last month. The money to commission the Detroit based sculptor was raised by the hospital's Boosters group, which celebrated the end of a successful fund-raising effort with a party. Pictured are Plet (center) and his two studio assistants, Sherri Moore-White (left) and Matt Butler. The sculpture, which weighs 1,000 pounds, is painted a deep red.
