IF ONLY THE GOVERNMENT SPENT OUR TAX DOLLARS AS SCRUPULOUSLY AS THEY COLLECT THEM.

Last year, the federal government collected over \$300 billion in personal income taxes. Money that was used to take care of the needy. To run the country. And to protect it. But that's not all it was used for.

LAST OF THE BIG-TIME SPENDERS.

Your taxes also went to pay \$435 for a \$7 hammer. \$7,417 for a 1-cent pin. And \$511 for a 60-cent light bulb.

In a single year, the government gives away over \$5 billion in benefit payments. Totally by mistake.

And the government not managing its money properly costs taxpayers over \$2 billion every year.

These incidents of inefficiency and mismanagement are so vast they could fill a book. (To be exact, they fill over 21,000 pages of documents in the President's Private Sector Survey on Cost Control.)

Yet as wasteful as they are, they're not the problem, just the symptoms. The problem is a system of inefficient government procedures and practices that allows them to happen. Out-dated policies and controls that are out of control and threatening the interests of all Americans.

IS AMERICA GOING TO WASTE AWAY?

America is staring straight down the barrel of a financial disaster. The federal deficit is closing in on \$200 billion a year. The national debt has already reached an unimaginable \$1.8 trillion.

One of our only chances to head off disaster is to stop wasting our tax dollars.

That's why we formed Citizens Against Government Waste.

WHO AND WHAT IS CITIZENS AGAINST GOVERNMENT WASTE?

Citizens Against Government Waste is a non-profit educational foundation made up of concerned

citizens. Democrats, Republicans, Conservatives, Liberals.

Taxpayers just like you, who are extremely concerned with how their tax money is being mismanaged.

To that end, we've established a toll-free phone number: 1-800-USA-DEBT. By calling it, you can receive information that will give you a better understanding of the real magnitude and consequences of government waste. And what you can actually do about it.

So call, or write us at 1511 K Street, N.W., Suite 540, Washington, DC 20005. Please.

Because our country can't afford this. And neither can you.
