The Masonry Institute of Michigan announced its annual golf outing to fund five scholarships for architectural students at Lawrence Institute of Technology to be held Thursday, June 5, at Dunham Hills Country Club, Milford.

"I urge all of our architect-engineering, mason contractor, supplier and other construction industry friends to attend this worthwhile event featuring fun, fellowship and an excellent grilled steak luncheon," said Michael Navetta of the Farmington Hills-based Institute.

The outing cost is \$80 for golfers, \$50 for non-golfers. For golfers, that includes cart and green fees. For everyone, it also includes an open bar all day, grilled steak luncheon, door prizes, program souvenirs, golf prizes, and a contribution to the scholarship fund that qualifies for both a Michigan tax credit and federal tax deduction.

For reservations, call Donna Crozier at the Masonry Institute of Michigan offices, 478-8465. The Masonry Institute of Michigan

Did You Know That Last Year's U.S. Savings Bonds Average Rate Exceeded 9%?

Many people all over America are surprised when they hear what U.S. Savings Bonds have to offer.

For starters, Savings Bonds give you market-based interest rates—like the money market—plus the security of a guaranteed return. This means you can earn a lot more than the guaranteed minimum rate of 7½%, but never less! To earn the higher rates, just hold your Bonds for five years or longer.

Here's more surprising news—the interest you earn from Savings Bonds is free from state and local income taxes. And you don't have to pay federal taxes on the interest earned until you cash in your Bonds.

Savings Bonds are easy to buy, too. They cost as little as \$25 and can be purchased at most banks and savings and loans. Or through the Payroll Savings Plan where you work.

All of these advantages are making Savings Bonds an increasingly popular investment. Last year, sales of U.S. Savings Bonds were up nearly 30%!

With all that Savings Bonds have to offer, it's no surprise they're one of the best investments in America. For the current rate, just call toll-free 1-800-US-BONDS.

U.S. SAVINGS BONDS Paying Better Than Ever

Market-based rates apply to Bonds purchased on and after 11/1/82 and held at least five years. Bonds purchased before 11/1/82 earn market-based rates when held beyond 11/1/82. Bonds held less than five years earn lower rates.
