

These Harrison students appear in a Channel 4 public service announcement encouraging students not drink and drive during the prom

season. They are (from left): front row, Ann Turner, Ruta Sapelys, Allison Wall; back row, Lisa Jean, Steve Selinsky, Michael Mack.

Project Graduation

Harrison students join TV message

Farmington Harrison High School students are joining WDIV-TV in an effort to promote a safe graduation season.

The students are appearing in a public service announcement encouraging their peers not to drink and drive through the message, "Friends Are For Life." The announcement is one of a series airing daily on WDIV in May and June.

The effort is part of "Project Graduation," the award-winning campaign for safe graduation celebrations. Thousands of high school students in metropolitan Detroit have joined the project by signing pledges not to drink and drive; not to ride with someone who has been drinking; and to offer a ride to a friend if needed.

WDIV will also air an honor roll of all schools participating in "Project Graduation." Selected schools will be visited on their prom nights by

WDIV crews and featured in live and taped messages promoting safe prom night celebrations.

"Project Graduation" is the students' own campaign to stop their peers from drinking and driving," said Henry Maldonado, WDIV program manager. "We are using our airwaves to give them exposure for

their 'Friends Are For Life' message."

"Project Graduation" is a community-wide coalition of numerous organizations. In addition to television stations, WDIV and WTVS-TV, Channel 58, radio stations WLLZ 98.7 FM, WHTT Power 96 FM and WJLB FM 98, are also sponsoring the project.

Farmington agrees to supply school district with voter list

Farmington entered into an agreement Monday with Farmington Public Schools to provide the district with a list of voters for the upcoming school election June 9.

The school board voted recently to use voter lists from each municipality in lieu of the maintenance of reg-

istration cards. According to the contract, the alphabetized list would be provided, at district expense, at least 30 days prior to each district election.

School officials feel the change will save both staff time and file costs.
