**GOLF OUTING** — The whole family is invited to a fun-filled adventure at the Putt 'N' Games miniature golf greens, 30749 Grand River, 7-30 p.m. Thursday, June 5. Wheelchair-bound participants are

**TIGER GAME** — Travel to Tiger Stadium on June 6 to see the Tigers take on the Toronto Blue Jays. Only pre-registration through the Recreation Office by May 21 will be accepted. Children under 12 years of age must be accompanied by a parent.

Buses leave Farmington Hills City Hall by 5:45 p.m. The fee for the excursion is \$15.

**COM-ON-A-WONNA** — Nature lovers ages 6-12 are invited to Com-on-a-Wonna Camp. Concentrating on educational and recreational programming in a natural setting, Com-on-a-Wonna Camp is located this year at Heritage Park.

Campers study animal life, insects, plant life, geology, camp craft, nature lore, and archery. Camp fire programs, fishing and field trips are also planned. One-week sessions are June 23-27, June 30-July 3, July 7-11, July 14-18, July 21-25, July 28-Aug. 1 and Aug. 4-8.

Camp meets every day from 9:30 a.m. through 3:30 p.m. except Thursdays (2 a.m. to 7:30 p.m.) which include a special family camp fire. Fee for Com-on-a-Wonna Camp is \$34 a session.

**SWIMMING LESSONS** — Three sessions of swimming instruction are available for beginner through advanced swimmers. Classes are held Monday through Thursday in two-week sessions at Farmington and North Farmington High Schools.

Sessions are June 23-July 3, July 7-17 and July 21-31. Class participants must be 36 inches tall at their chin height.

Pre-registration is necessary and handled on a first come-first serve basis through the Recreation Office. Fee for each session is \$22.

**SAFETY TOWN** — Safety Town, a pre-school safety education program, teaches participants pedestrian, motorist, bus, bicycle, railroad crossing, play, fire and home safety through child participation and demonstrations.

Interaction with police, strangers and drug handlers is also discussed. In addition, movies, songs, practice

safety training and a bus trip to the Farmington Hills Fire Department Headquarters reinforce what is taught during Safety Town sessions. Safety Town, which is conducted at Alameda School, is designed for participants entering kindergarten in the fall, however, any 4-6-year-old will be accepted. Registration is being accepted.

USE GLYCERIN or vinegar instead of water when mixing plaster of paris. This prevents rapid drying. Need room around the house? Sell a few items in the Observer & Eccentric Classified Ad section of your hometown newspaper.

# POOLABILITY\*

**\*The ability to save money, get to work on time and make friends while The New Lodge Freeway is being completed.**

Now that The New Lodge Freeway is under construction, there's never been a better time to think about RideShare. It will save you money on gasoline and maintenance, reduce wear and tear on your car, and make your trips to and from work easier and more pleasant.

One way to go about it is through RideShare's car pooling program. This free, computerized service from SEMCOG, the Southeast Michigan Council of Governments, will match you with other commuters who both live and work near you.

For more information, simply call 963-RIDE.

Another alternative is RideShare's MichiVan program. It offers fully-insured 12 or 15 passenger vans to groups of nine or more. All the riders have to do is split the operating costs—which are far below the costs of commuting alone. Information on the MichiVan program can also be obtained by calling 963-RIDE. Important: The RideShare program also offers car and vanpool matching all over Metropolitan Detroit and Southeast Michigan.

**POOLABILITY.** Just like LODGEABILITY, it's a great thing to have while The New Lodge Freeway is under construction.
