

Barber-Alday

Dr. and Mrs. Robert J. Barber of Northville announce the engagement of their daughter, Anne Elizabeth, to Nathan Andrew Alday, son of Mr. and Mrs. Herman Alday of Tucson, Ariz.

The bride-to-be is a graduate of University of Michigan, employed as a special education teacher with Blossomland Learning Center, in Berrien Springs, Mich. Her fiancé is a graduate of University of Michigan, employed as an aerospace engineer with Pacific Missile Testing Base, in California.

An August wedding is planned.

Smith-Freed

Mr. and Mrs. O.D. Smith of Farmington Hills announce the engagement of their daughter, Jolynn, to Dale Freed, son of Mr. and Mrs. James Freed of Milford.

The bride-to-be is a graduate of Wixom Christian High School, employed with Farmer Jack's Home Center in Farmington. The groom is a graduate of Wixom Christian High School and Nation Institute of Technology in Southfield, employed as an electrical engineer with Daykin Electrical in Canton.

An April 1987 wedding is planned in First Baptist Church of Wixom.

Duke-Gerschick

Joseph and Edna Mary Gerschick of Ann Arbor announce the engagement of their son Thomas Joseph to Lynda Marie Duke, daughter of Richard and Marie Duke of Ann Arbor.

The groom-to-be, a graduate of North Farmington High School and Michigan State University, is now working toward his doctorate at University of Michigan. His fiancée is a graduate of Community High School in Ann Arbor and MSU. She received her master's degree from U-M and is employed by the university.

A September wedding is planned.

2 win Eagle rank

Continued from Page 5

he will be entering the University of Michigan to study mechanical engineering in the fall.

McDANIEL, a graduate of North Farmington High School, has been an active member of his church, school and community. He is a member of the Church of Our Saviour, Presbyterian Church where he did his Eagle project. He has participated in youth activities and conferences at Alma College and in his church. McDaniels started playing the cornet in elementary school, switched to the tuba at Warner Middle School and played that instrument in the Concert Band at North Farmington High School during his freshman year.

His activities in sports with Farmington Hills Parks and Recreation include two years of soccer, five years of basketball, and one year of floor hockey.

At Warner Middle School, he participated in a year of cross country and a year of football.

As a 13-year-old, he was the local Pitch/Hit/Run champion and has participated in North Farmington/West Bloomfield Baseball for 10 years. He was selected for the all-star baseball team for six years and participated in Travel Baseball for two years.

At North Farmington he earned three varsity letters, in basketball, football and baseball. As a Webster scout in Cub Pack 116 at Eagle School, McDaniels earned the Arrow of Light, Cub Scouting's highest award. Since joining Boy Scout Troop 116 in 1979, he has served as assistant patrol leader, patrol leader and assistant senior patrol leader.

Discount tickets available

Discount admission tickets for area amusement parks are available through Clarenceville Adult Education. Tickets can be purchased for Cedar Point, Bobo, King's Island and Sea World, Monday through Friday, 8 a.m. to 4 p.m. Call 473-8900 for further information.

He has hiked the Potawatomi Trail and has earned the Historic Trails Award.

He attended the Provisional Boy Scout Camp D-Bar-A for a week each summer to earn merit badges. He has gone to Mackinac Island with his troop for five years where he was a patrol leader and senior scout in the Governor's Honor Guard.

In 1980, as top fund-raiser for the troop he earned the George DeCourcy Award, named in honor of the troop's founder. In the summer of 1984, he attended the Philmont Scout Ranch in Cimarron, N.M., for a 10-day backpacking excursion.

For his Eagle project, McDaniels planned and supervised the construction of a nature trail for the Church of Our Saviour Presbyterian Church. He built a wood and rope bridge over a creek, cut down and cleared the brush from the path and made signs to point out important spots along the trail.

In addition, the playground which is used by the church nursery school was raked and cleaned, playground equipment was repainted in colors and designs designated by the church, and a line was painted on the parking lot to show the children where it is safe for them to play.

McDaniels will enter Central Michigan University to major in business.

DURING THE Eagle Court of Honor Jan Rintamake, Troop 116's 11th Eagle Scout was awarded a bronze palm for earning five merit badges and achieving the rank of Eagle Scout in 1984.

Former scoutmaster Willard Brown, his son Charles and scout Andrew Brady achieved membership in the Order of the Arrow and John Rintamake was awarded the George R. DeCourcy Award for his achievements as the troop's top fund-raiser for the year.

John Farley, representative from Clinton Valley Council, BSA, delivered the Eagle Scout Charge and Richard McDaniels, the troop's 97th Eagle and the only Eagle from the troop to have earned four palms (20 merit badges) after becoming an Eagle Scout, read the achievements of the two new Eagle Scouts.

A reception followed the Court of Honor.

Buckley-Evangelista

Mr. and Mrs. A. Jay Buckley of Upper St. Clair, Pa., announce the engagement of their daughter, Diane Marie, to Mark Angelo Evangelista, son of Mr. and Mrs. Joseph Evangelista of Farmington Hills.

The bride-to-be is a graduate of Michigan State University, employed as a branch management trainee for Manufacturers National Bank of Detroit. Her fiancé is a graduate of North Farmington High School and Michigan State University. He took his master's of science in engineering degree from University of Michigan and is employed as a construction engineer for DeMaria Building Co. in Novi.

MILWAUKEE SHOULDER

Milwaukee shoulder takes its name from the doctors at the Medical College in Milwaukee, Wisconsin, who first brought this condition to the attention of the medical community.

Milwaukee shoulder is a form of osteoarthritis that has several special characteristics: it occurs only in women over age 65, and is associated with large amounts of fluid in the shoulder joint, which keeps accumulating. In addition, women with this condition tend to have arthritis in their knees and hips which is severe and often needs surgical joint replacement.

Milwaukee shoulder is caused by a bone crystal, hydroxyapatite. The crystal acts like a poison and causes the joint lining cell to disintegrate, releasing enzymes into the joint cavity. The enzymes act on the surrounding bone to release more hydroxyapatite crystals, and so perpetuate the cycle of cell disintegration and bone loss.

Treatment consists of shoulder joint aspiration and injection to remove the fluid and prevent the enzymes from acting on bone. Surgery is a last resort because of the hazards of operation on an elderly individual, and the difficulty of repair in a shoulder joint plagued with thin bone.

At Sylvan
we help
children perform
remarkable
acts of courage.

Sylvan understands how tough it can be for a child who's falling behind in school. And how good it can feel when failure turns into success.

This summer, we can help your child develop self-confidence—and the courage—to do better in school next fall. In fact, we guarantee it.

Sylvan's proven approach to learning has already helped thousands of children, in a stress-free environment of positive encouragement.

Measurement and personal attention, we guarantee your child's reading or math skills will improve by at least one full grade level in just 36 instruction hours. Or we will provide up to 12 additional hours at no further cost.

Our expanded Summer Program gives your child the perfect opportunity to catch up on crucial math or reading basics. So that, come September, you'll see a remarkable improvement in your child's performance. We guarantee it.

Now Enrolling
For Summer

Measurement will be based on a nationally recognized achievement test (or improvement in either reading (comprehension or vocabulary) or math (computation or application))
