In Oakland County government, we have not been negotiating COLA (cost of living adjustment), and we have not been permitting them to negotiate a closed or agency shop. "You have to look at the inflation, decide what state employees' salaries ought to be in relationship, and make sure something is done for the employee on that basis."

Q. There has been a commercial in this campaign which questioned the integrity of a couple of candidates, Do you feel you have a reputation for integrity?

CHRYSLER: "Of course, We all do, And it's a real credit to the Republican Party of this state to have the four candidates we have — a di-

Q. Will you support the capital punishment question (as proposed in the ballot question to amend the state constitution)? And if it passes and you're in the governor's chair, what would you do with at plea for executive clemency?

MURPHY: "I support the concept if that's what the people want. If the whole would allow the Legislature to pass enabling legislation. As governor, I would allow the Legislature to pass enabling legislation. As governor, I would allow the Legislature to pass enabling legislation. As governor, I would allow the Legislature to pass enabling legislation. As governor, I would allow the Legislature to pass enabling legislation. As governor, I would veto the bill.
