knowingly never undersold™

Costa deals high prices a low blow.

A touch of Europe and the Caribbean sun.
Both at an incredibly low price
on the ssCostaRiviera.

Her rates have never been lower. And European charm has never had such a magnificent home in the Caribbean. The ssCostaRiviera cruises Italian style, with the spirit of Mediterranean grace and hospitality. Live music accompanies dinner in the elegant Portofino Dining Room. The service is impeccable, fit for royalty, and as lavish as our Continental cuisine.

Nights are always young on the CostaRiviera, whether you're partying at the Roman Bacchanal, catching a dazzling revue, or relaxing in the intimate Rendezvous Lounge. Days are filled with sports, sun-fun and shopping in our exclusive Galleria Via Veneto.

Every Saturday, the CostaRiviera sails from Ft. Lauderdale to the three most popular islands in the Caribbean: St. Thomas, St. Croix and Nassau.

Now's the time to take a European vacation in the Caribbean. Sail the CostaRiviera.
