There is a movement back to evening elegance — somewhat reminiscent of the Grace Kelly era. But the new elegance is softer, more natural.

GARY CASKEY

Hair is a little longer this season and it's full, freer, not so stiff. With the new simplicity in clothing, hair has to have more dimension with one side a little shorter than the other, but all one length in back. Styled by Yvonne Kari-malis with the Mira Linder Spa, Applegate Square, Southfield.

Cascading curls is the longer look for fall. Permed or naturally wavy hair gets layered with clippers.

Christian Dior tailors this suit with a shoulder line that is broader yet gently sloping. The fabric — a luxurious pure wool blue pinstripe. \*490.
