

Accent on Accessories

Less is better
Elegant western

Bold accessories add strong individual style. The statement this year is a simple silhouette of less rather than more.

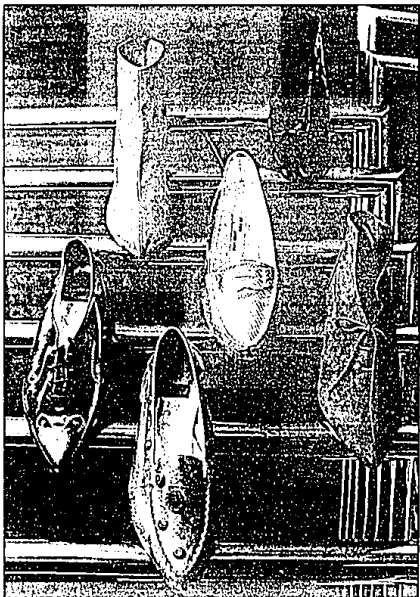

STEVE FECHT

Perennial favorites took good this season. The classic pump comes in new color and leathers while pearls and gold remain the quality fashion statement. They're always right.

STEVE FECHT

STEVE FECHT

Kenneth Cole offers a variety of fancy footwear for fall — from an antique gold loafer to a pewter lace-up oxford and granny boots that range from soft red suede to black patent lace-ups with a French heel. Birmingham and Sugar Tree Mall, West Bloomfield.
