Frescoes on exhibit

Fresco paintings on Xuan paper by Li Qing are on display at the Bloomfield Fine Arts Gallery, 280 N. Woodward, Birmingham through Saturday, Sept. 20. Qing came to the United States earlier this year to study American graphic design and art education. She graduated from the Central Art and

Crafts college department of graphic design in Beijing, China, and studied visual design at Tokyo Art University for two years. Subjects for her paintings stem from Chinese legends and folklore and are presented in rich, vigorous color. Reception to meet the artist is 6-9 p.m. Friday.

The Final Fable of Foxpointe

In days gone by, we began the tale of a very clever fox. A fox that liked the facts about foxminiums. The condominium homes in a prime location with contemporary styling, the latest designer features and a price below \$200,000. And since we built this fox minium, folks have flocked to Foxpointe Condominiums of West Bloomfield.

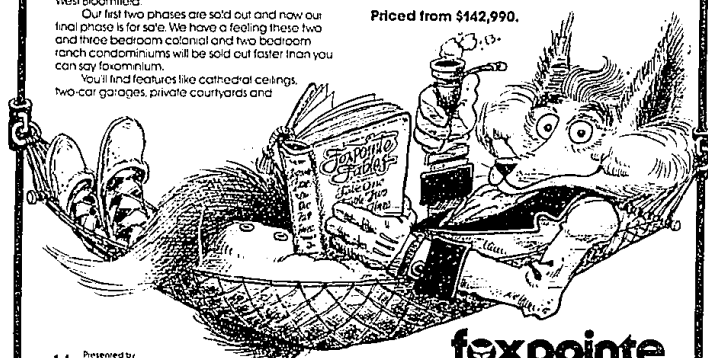

Our last two phases are sold out and now our final phase is for sale. We have a feeling these two and three bedroom colonial and two bedroom ranch condominiums will be sold out faster than you can say foxminium.

You'll find features like cathedral ceilings, two-car garages, private courtyards and

magnificent mature landscaping. Plus tennis courts, swimming pool and bathhouse. But if you don't buy now, they'll be gone!

Visit our decorated models any day between noon and two or call 681-3112. Find us on the west side of Orchard Lake Road, just south of Long Pine Road. And live happily ever after.

Priced from \$142,990.
