Adventuresome feeling

MINDY SAUNDERS/photographer

This interior design by Gloria Cotton of Gorman's Gallery is a surprise to what most of us think of when we "visualize" condominium living. (See exterior view). The living area is adven-

turesome, creating an open, airy feeling not associated with condo living. It was designed to avoid interference with the unusual art pieces collected by the owners.

European influence

Low-profile Formica makes this bedroom ensemble easy to care for as well as attractive to the eye. It's one of the most popular models offered by House of Bedrooms, 1716 Telegraph Road, Bloomfield Hills.

We have a complete line of stained and beveled glass windows new and old. Custom made oak or walnut doors, entrance systems, French doors with beautiful beveled and leaded glass, and architectural items. We also do glass repairs.
