

## Tudor

Elegantly traditional in the tudor style, builder Nancy Bonadeo named her home after the period it reflects. Evidence comes in the styling that has bay windows in the living room, dining room and master bedroom and in the country-style kitchen that opens to a nook and a great room beyond that. There are cathedral ceilings with natural cedar beams in the great room with fireplace and window wall. Oak cabinets highlight the kitchen. The master bedroom has a large bath and walk-in closet. The first-floor guest room can serve as a den or office. The entrance foyer has ceramic tile floor and the staircase is oak. The house is 2,488 square feet with four bathrooms and 2½ baths. It is in the \$155,000-\$165,000 price range.
