I'm part of their future

Being a Girl Scout leader gives me a great sense of personal satisfaction. Every time the girls accomplish something, so do I.

The activities are great — we've gone on camping trips, visited the local newspaper, and talked with area businesswomen about how they juggle their careers and a full family life.

See for yourself the difference being a Girl Scout leader can make — for you and for the girls. You'll want to be a Girl Scout leader, too!
